

Afshin Moradi, MD

Associate Professor of Pathology

Department of Pathology
Shahid Beheshti University of Medical Sciences (SBMU)
Tehran, Iran

PROFESSIONAL PROFILE

Associate Professor of Pathology with more than 30 years of academic, clinical, educational, research, and executive leadership experience in Iranian medical universities. My academic career includes eight years of faculty service at Semnan University of Medical Sciences, followed by more than twenty-two years at Shahid Beheshti University of Medical Sciences (SBMU). I have extensive experience in diagnostic surgical pathology, medical education, research, academic administration, and healthcare management. I have authored and co-authored numerous peer-reviewed scientific publications in national and international journals.
